FROM THE PRESIDENT: -

This Meeting is our Annual General Meeting and Election of Office Bearers for the 2011 – 2012 Apex 40 Year. Have you thought on nominating for a position of Office Bearer of the Club? If not, why Not? Now is the time to consider standing for a position on the Executive of Your Club.

During the evening we will also hear a talk by Mr Graham Bonney who will tell about a hobby that grew into a very successful vineyard and Winery out at Batesford.

Graham will talk about the history of “Paradise IV” which is his latest, and most successful, label. There may even be some samples to try!

At our last Meeting, our own Member, Glynn Jenkins presented us with his version of the “Options for the future of Geelong Water Supplies” as well as some very interesting insights into the development of Geelong’s water supplies in the past.

Attached is a copy of the email received from Alan Kinder regarding another proposed combined gathering of Apex 40 Members planned for September this Year. Those who attended in 2009 had a very enjoyable time meeting with Apex 40 Members from other Clubs.

ALAN GOSS
PRESIDENT 2010-2011

In October 2009, a combined gathering of Bendigo, Geelong, Melbourne-Gippsland and Melbourne Norwesters Apex 40 members was held at Woodend. This took the form of a Sunday lunch at the Victoria Hotel with Melbourne and Bendigo members travelling to Woodend by train. The function was very successful with about 50 members in attendance. Those who travelled by train had arrived early enough to visit the local street market and/or taste some samples at Keating's boutique brewery hotel, just down the road from the Victoria.

I have recently been in touch with Kevin Harvey, Bendigo President, and we have agreed to hold a similar function on Sunday 11th September 2011. We hope that members of your Apex 40 branch will join us again for what I am sure will be a very enjoyable luncheon gathering.

Would you please let your members know about this function at your next meeting and let me know if some of your members are likely to participate. I will let you have more details closer to the date and will need to have an idea of numbers a few weeks before the event.

Yours in Apex 40,

Alan Kinder
President, Melbourne-Gippsland Apex 40
