THIS MEETING

This will be a club dinner meeting cum social and another fine dining experience. Besides the dinner, the occasion will also see our president Maneam officially introducing the committee members for this year. It is hoped that many if not all members attend this semi-formal sit-down Chinese dinner (halal) with your spouses. The idea was mooted by our member A. Gnanarajah who has graciously consented to subsidize 50% of dinner costs of all members and their spouses. What else is in store for the members? Well the club committee has agreed to not only absorb the costs for alcoholic beverages but also pick up a portion of all additional charges. The dinner cost is expected to be not less than RM 500.00 per table excluding drinks but you as a member need to pay only RM30.00 per couple (RM15.00 per pax) or RM 20.00 for singles. Gnanarajah and his spouse Radha will be more than happy if as many if not all members and their spouses attend this event.

LAST MEETING

Our planned lunch outing to Kapar on Sunday 24 April 2011 had to be called off because of poor response from members. Our Social Directors Selva & Dr. Rama with the concurrence of the committee decided to postpone it to Saturday 30 April 2011. Again members' participation was poor and regretfully we had to call off this outing.

This is an unacceptable and unfortunate turn of events. After our AGM in February 2011 and the subsequent committee meeting in March 2011, the eight elected officials were very excited on charting a fresh round of social activities and Kapar was first on the list.

While the date picked may not be suitable for few, what about the others? What is holding them from attending? Is it apathy or are our members, seniors at that, just too busy? Granted a number of you did respond either to confirm attendance or otherwise and this is appreciated but a sizable number went on silent mode. I sincerely hope that our dinner at the Royal Lake Club will elicit better support.

MOVING HOUSE

Our member M. Selvarajah is retiring from parliament on 1 June 2011. He is currently on leave and has moved out from Government quarters at Nakoda Yusof and has since mid April moved into his condominium at Ulu Pudu, Kuala Lumpur. His new address is B107-3A-8, Villa Tropicana Impian 2, Jalan Pudu Ulu, 56100 Kuala Lumpur. His private telephone number is 03-9205 6820. He however is still comfortable of being referred to as Selva Parliament.

CHOICE OF DATES

It is always difficult to pick the right dates for activities, dinners or outings. Most would prefer a weekend, Saturdays preferably, for socials & dinners while some find it difficult to attend on such dates. The committee has deliberated on this and feels that it is not possible to pick a date that would be agreeable to all. Hence it is hoped that members understand this and go the extra distance to keep themselves free where possible.

That probably explains why our dentists Dr. Mohan, Dr. Rama and Dr. Anitha are doing extremely well.

APEX CLUBS OF MALAYSIA & SINGAPORE

DINNER NOTICES

We thank the few Apex Clubs that still prepare DN's and circulate them. DN's by Malacca Central and Kuala Lumpur are circulated on a regular basis to many if not all. They are well written and obviously a lot of effort has been put in by their respective DN Editors. My thanks for putting our club in the loop and congratulations to LG Ravindran (Malacca Central) and CS Naidu (Kuala Lumpur) for doing an excellent job.

For information on meetings, service and social activities of Penang Club, go to their website www.apexpenang.blogspot.com.my. This website is not only very informative but is also regularly updated unlike the Malaysian Association's website.

It was a pleasant surprise to receive well prepared DN's from the 2nd oldest club in Malaysia i.e. The Apex Club of Seremban. I hope their DN Editor Apexian Saravanan Manaim will continue this on a regular basis.

From Singapore, the April edition of DN from the Apex Club of Bukit Timah was forwarded to many by NVP Apexian Victor Corbett. An eight-page newsletter in a very balanced presentation covered all activities of the club and their association in general. What is different about this is that the DN editor works and resides in Hong Kong. With the advances in both the internet and communication technologies, I suppose the geographical barrier is a non-issue. Nevertheless it says a lot about the individual. I hope more Apex clubs in Malaysia will emulate these fine examples and come out with their own DN's.

JOINT DINNER MEETING CUM SOCIAL

In conjunction with the National Board Meeting, the National Association of Apex Clubs of Malaysia had a joint dinner meeting cum social at Yan Yan A One Restaurant, Off Old Klang Road, Kuala Lumpur on Saturday 30 April 2011. I understand that there were about 30 attendees from central region Apex Clubs, Penang and Sungai Petani. Our club was represented by president A.S. Maneam, Anthony Lawrence, Selvarajah, Narayanan, Surendran, Naiker and Dr. Thina. Dr. Thina and Naiker are also active apexians. Pictures below show our members with guests Mathi from India and T.T. Singam from Malacca.
