**LAST MEETING....** Thanks to Daphne & Don for the use of their home for the Australia Day get-together. While many members were still away on various trips we enjoyed a very pleasant day. Most people brought a barbecue lunch and the cooking was proceeding very well until Don brought out his half a sheep to put on, they must have been very hungry.

For those who were not there see if you can guess who the two members were who did not see the signs in the photo below while talking and managed to drive about half a kilometre the wrong way on a one way traffic road.

Have a good trip.... Doug has just returned from Tamworth and decided that the wine he has been getting delivered home is getting a bit boring so he is heading off to the Barossa Valley for February and March to do a bit of testing. Sounds like a good way to spend a couple of months.

Because I'm a man, there's no need to ask me what I'm thinking about. The answer is always either sex or football. I have to make up something else when you ask, so don't.

Congratulations to Julia & Blair for introducing Anastatia, the baby with that many adopted grandparents she she will be very confused when she gets a little older. For the members outside our club reading this, Julia is Lynn Sawyer's daughter.

The Ryalls became grandparents again on the 21<sup>st</sup> January, Ann will be busy now, Heilbrunn Renovations had to work hard to get the house next door ready for the new arrival.

We have had a request from an old member of St.Ives Apex Club Niel Thompson to see if anyone would be interested in helping with the Salvation Army Roadside Collection to be held on the 18<sup>th</sup> & 19<sup>th</sup> May. More information will be available next month.

DISTRICT DOINGS

New public toilet blocks have been built by WYONG in their Apex Park at a cost of \$1,150. Will the average cost be only 2 cents?

**MAX PRIOR**, of WYONG, is a sly one. He showed some slides of his South Seas trip at a Ladies Night, then returned at a later dinner and showed his OTHER slides. How mean can you get?

**THE ENTRANCE** won the District 6 Donger for best Convention business session attendance, but at the cost of £300. President **GEOFF GILCHRIST** was on his way to **BOOLAROO** when his Sunbeam Rapier collided with a runaway steel box trailer which came from a car travelling in the opposite direction and knocked the front end clean out. Undaunted, he got another vehicle and arrived with minutes to spare.

**WOY WOY** has just held a Halverson Weekend. Some 21 members and friends hired three boats to cruise for the W.E. I have no details, but assume they went fishin', etc. Wonder why they didn't take the Eiens?

*The District 6 A.R.S. Shield was won from WYONG by THE ENTRANCE team in March. This was decided after a mighty game of football where it was reported that both teams had to find sixteen replacements for the second half. Their players all complained of wet mouths and full stomachs.*

*WYONG CLUB held a Camelia festival in the new Town Hall with blooms on display from as far afield as New Zealand and made a profit of \$180 out of the show. TORONTO D.N. described this as a huge success with a profit of \$1.80!!!*

Alan Martin of CHATSWOOD and his wife Christine, who are recently married, are on a world cruise. He has been granted non resident membership for two years which will make a honeymoon to boast of when he returns

*Extract from a recent NEWCASTLE D.N. "Annual Fees are now overdue. Those who have not paid by this meeting will have their names published in the Kings Cross Whisper and just think what this will do to your wife's social standing."*

There are some red faces in SCONE Club. Information to hand says the Scone had written to Nestles and asked for a donation of Freddy Frogs for prizes in the Frog Jumping Contest (see elsewhere in this issue). The firm replied stating that they would be happy to donate Yogi Bears for a Bear Jumping Contest, but could not help out with another firm's product.

☆ ☆ ☆

**THE ENTRANCE** D.N. editor believes that man's life is made up of three stages: 18-25 tri-weekly, 25-45 try weekly, over 45 try weakly.

**YOU HAVE AN ACCOUNT IN THIS ODD BANK.**

If you had a bank that credited your account each morning with £86,400, that carried no balance from day to day, and allowed you to keep no cash in your account and every evening cancelled whatever part of the amount you had failed to use during the day, what would you do. Draw out every cent of course.

Well, you have such a bank. Its name is "Time." Every morning it credits you with 86,400 seconds. Every night it rules off, as lost, whatever of this you have failed to invest to good purpose. It carries over no balance. It allows no overdrafts. If you fail to use the day's deposits, the loss is yours.

(Pinched from the Esco Corporation Magazine).

**4 SALE**

One train, excellent condition, in first class order. Wyong Club are ready to talk tuckey with anyone interested. "We are just too tired."

**PLEASE REMEMBER TO BOOK IN.**

That's all for now, see you soon, Tom D.
